# Anti-Money Laundering and Countering Financing of Terrorism Compliance Officer

(Micro-credential) (Level 4)

# Anti-Money Laundering and Countering Financing of Terrorism Compliance Officer

(Micro-credential) (Level 4)

Welcome to the forefront of AML/CFT compliance with our Level 4 micro-credential. This NZQA approved and nationally recognised qualification prepares compliance officers and anyone looking to upskill in this area to expertly navigate the ever-evolving landscape of AML/CFT.

Whether you're in finance, law, accounting, or real estate, this qualification caters to your specific reporting entity obligations. With two study options tailored to different experience levels and roles, seize the opportunity to advance your professional development today.

## Who should enrol?

- Current AML/CFT compliance officers looking to showcase their expertise and ensure effective AML/CFT compliance within their reporting entity.
- Senior managers or directors of small reporting entities who may need to step in as backup for the AML/CFT compliance officer.
- Individuals aspiring to become AML/CFT compliance officers.
- Anyone interested in transitioning into a compliance officer role within industries with AML/CFT obligations.

*“An invaluable resource for professionals at all levels, this course extends beyond traditional compliance roles to empower a diverse range of individuals in meeting AML/CFT challenges.”*

— David Greenslade, Executive Director, Strategi
